12 Keys to unleash Cameroon's potential from October 2025

#OurTimeHasCome

- 1 No more waste of our money**

 - Downsizing the government from 63 to 20 members.
 - Retrieving embezzled funds through a new, fully empowered anti-corruption authority.
- 2 A State that represents us and brings us together**

 - Demilitarising our North-West and South-West regions, followed by an honest and inclusive reconciliation dialogue.
 - Building consensus on the form of the State during the 2026 Sovereign National Conference.
 - People adopting the Conference resolutions through a referendum in 2027.
- 3 Family at the heart of the Nation**

 - Providing parents with a financial allowance for every birth.
 - Covering medical expenses for pregnant women and children aged from 0 to 10 years.
- 4 The School that provides opportunities**

 - Establishing a single bilingual (English-French) educational system for all.
 - Integrating practical applications of local resource transformation into school curricula.
- 5 Equal justice for all**

 - Removing the President of the Republic and the Minister of Justice from the Higher Judicial Council, to strengthen the judicial independence.
 - Guaranteeing access to a lawyer for every citizen in need.
 - Transforming prisons into production units to support social reintegration.
 - Protecting women, holding abusers accountable: harsher penalties for perpetrators of gender-based violence and femicide.
- 6 The end of power outages**

 - Generating electricity locally using each municipality's natural resources (hydro, solar, wind, geothermal, etc.).
 - Reshaping the current national network around major urban centers.
 - Creating autonomous regional distribution networks.
- 7 Teachers and Medical doctors honored**

 - Creating a special status for these Nation's Servants.
 - Improving their salaries, social benefits, working conditions, and pensions.

12 Keys to unleash Cameroon's potential from October 2025

#OurTimeHasCome

8 Fixing land ownership conflicts for good

- Abolishing the Ministry of Land Tenure.
- Return land management to local communities, with guaranteed financial compensation for owners.
- Limiting individual or corporate land acquisition to 2 hectares.

9 Our raw materials, our strength

- Banning agricultural and mineral resource export before local value-added processing.
- Increasing custom duties on imported goods to support local industry.
- Paving of roads and creating inland waterways between production pools and their divisional capitals.
- Creating an agricultural growth center in each division, to position Cameroon as leader in food processing in Africa.

10 Ending neo-colonialism

- Exiting the CFA Franc immediately.
- Joining a Pan-African or regional currency.
- Leading the creation of the African Monetary Fund and freeing Cameroon from the IMF and the World Bank.

11 The HEMLE, our strength

- Undertaking the official and dignified repatriation of President Ahmadou Ahidjo's remains to his homeland. A symbolic, historical, and institutional rehabilitation of the Founding Fathers.

- Establishing a National Week to honour our Nation's Heroes and Stars.
- Decolonising street names and public infrastructures, renaming them after national figures.

12 The Kontinent, Africa in miniature

- Adopting dual nationality.
- Supporting diaspora investments in the country.
- Removing entry visas for all Africans.
